Questions/comments

One parent asked if the booster meetings would be held on the second Monday of the month at the same time?

Mr. Keyes advised that is what he is recommending to the board with the same time. He would like the meetings to be no more than 15 minutes if possible. The board will meet to discuss.

Concessions: it was agreed that we would help the Athletic department with the concessions during the games in part we would receive 30% of the profits made.
