

Davenport Band Boosters

The mission of the Davenport Band Boosters is to continually support the students, directors and families of the Davenport High School Band in their goal to achieve the highest standards of music education and music performance; facilitate the musical enrichment of the student membership of Davenport High and its feeder school; promote the place and value of music in our community and the significant role music plays in the cultural, intellectual, and social lives of our children; and foster fellowship and goodwill among its members and provide its membership with opportunities for personal growth and leadership.

What is in it for my student and me?

Davenport Band Boosters helps replace the void created by the district budget. Your support directly supports your local band. Davenport Band Boosters funds help provide for band equipment, awards and entry fees, water and refreshments for the students, transportation to competitions, and clinicians to broaden your child's band experience. Now is the time for all parents to get involved: to improve our children's music programs today, and plan for the music programs of tomorrow.
