Try-Outs for Spots in Marching Show

We will be having try-outs for spots in our marching show for all wind players (woodwind and brass) Tuesday during after school rehearsal. Students will perform box drill at quarter note=126. Students will come in the choir hall one at a time to do their try-out. We will be video recording the try-outs.

There will be a few students that share a "spot" in the marching show. They will take turns performing the show at half-time by alternating games. We have 3 home games left and the Comal Classic Marching Festival performance so students sharing a spot will get equal performance opportunities. All marching bands carry alternates in some capacity to account for injuries and eligibility. All students will play for the dance teams on the field at halftime each game.

Ultimate Drill Book App

Students, please download the UDBapp on your phone or a device you plan on using for rehearsal. We will use this app to learn drill. The license is paid for by the "Fair Share" Fee. We will start using the app Tuesday afternoon at rehearsal.

TMF Store Reopen

The online store to purchase required uniform parts through TMF will be open through Monday, September 7<sup>th</sup> at 11:59 pm.
