

COVID-19 Positive Case Notification

Today we were notified that a member of the band team tested positive for COVID-19. You are receiving this information as a parent of a student involved in this activity. Due to the Federal Educational Rights and Privacy Act, we are not permitted to divulge information about any students that could lead to identification. In addition, under federal law, we are prohibited from disclosing any staff members medical diagnosis or vaccination status.

While your child will **not** be required to quarantine, we would ask that you closely monitor your child for any developing symptoms. If your child develops any of the symptoms listed below, please consider visiting a medical provider and inform them of your student's status as a potential close contact to a test-confirmed positive individual.

Symptoms to monitor:

- Fever (100.0 degrees or higher)
- Cough
- Shortness of breath or difficulty breathing
- Loss of taste or smell
- Chills/exaggerated shivering
- Sore throat
- Nasal congestion/nasal discharge
- Nausea/vomiting/diarrhea
- Headache
- Fatigue
- Muscle aches/pain

If you have questions about potential symptoms, please consult your physician.

If you have questions about this case, contact Meredith Pappas at your campus.

Sincerely,

M. DeLoach
