First Annual GVTC Foundation Canned Food Drive

Let's Give Back To Those In Need

Mission from GVTC: Help provide a traditional Thanksgiving meal to a family in the community by participating in the 9th Annual Thanksgiving Giveback Project. Our annual project provides a traditional uncooked, complete Thanksgiving meal to families selected by local food pantries. Through our partnerships with youth groups, community organizations, schools, churches and individuals, we work to collect food items and donations. With your help, we can aim to provide for 450 families.

Calling all clubs, organizations, and sports:

Our goal, at Davenport High School, is to help provide for families in the area partnering with The GVTC Foundation. We will be collecting canned, nonperishable items from November 1st- 12th. Each item donated will count as one point. The winning club, organization or sport's team will receive a pizza party.

Student Council will be collecting items on Friday, November 5th, Wednesday, November 10th and lastly, Friday, November 12th. Items will be tallied and announced throughout the competition.

Items to be donated: instant potato flakes, canned cranberry sauce, canned corn, canned sweet potatoes/yams, canned green beans, instant stuffing, and canned/packet turkey gravy.

Let's make some family's Thanksgiving bountiful with love from our Wolf Pack.
