

DAVENPORT
HIGH SCHOOL

Imagine...you are sitting at a high school football game on a Friday night - you can hear the band playing from three blocks away, and the stadium is packed with spectators. Suddenly, your company's name and slogan roar over the loudspeaker in support of The Wolves of Davenport High School's Marching Band and Color Guard!

Success...The Wolf Band has proven it's potential; Multiple first-place competitions, first place in Comal ISD, ten All-Region musicians, sixteen All-Area, with two First Chairs, our first All-State artist, three state-qualifying solos and fifteen state-qualifying ensembles. Winter Guard State Champions without a single placement outside top three in any competition. The Wolf Band has proven their mettle as a force to be reckoned with.

Teamwork...is what it takes to have a successful band program. Our team consists of committed students, reliable parents, generous community sponsors, and dedicated Band Directors. Without the singular efforts of every member of the community, we cannot reach our full potential. At the same time, we want to display the support we receive from the community in the form of prominently displayed banners and graphics of those that support our team.

The facts...we need you on our team! The Wolf Band now has the talent and veracity to display our talent on the State Stage. Our colors and logo will be in all corners of south Texas, traveling to corners as far as Corpus Christi to the State Championship at the Alamodome, from every major competition in the San Antonio area to the Color Guard State Championship in Dallas. We need the support and resources of our local community to achieve our goals and bring your hometown band to the level they have proven they can achieve!

The Davenport Wolf Band is on the eve of greatness. Your sponsorship will help carry us across that line - while promoting your business from Friday Night Lights to the State Championship at the Alamodome. Join us in this amazing journey as we bring the spectacular talent of the youth of Garden Ridge to the statewide stage by sponsoring our team.

It's easy to sponsor the Wolves! Please complete the following forms and indicate which level you would like to partner with The Davenport Wolf Band. Our experience is that business leaders appreciate the opportunity to join in local activities that promote positive youth involvement. Thank you!...in advance for your support of our band program!
